## Young at Heart

### Senior Day at The Children's Museum of Wilmington

The Children's Museum of Wilmington is proud to have been actively involved in our community for 25 years. We provide children with resources that foster healthy childhood development. In addition to interactive exhibits and daily educational programs, we offer field trips, summer camps, and outreach. As a popular tourist destination, the Museum welcomes visitors from all fifty states each year. On Monday, September 12, 2022, we would like to welcome the seniors in our community to enjoy a special day at the Museum to explore and enjoy some fun activities! The Museum will also be open to the public on this day, so kids, invite your grandparents!
